They are great to help the girls be ready for their competitions. These lessons must be paid for when being booked.

Lessons will cost \$40each for the term. 2nd Lesson fees will be added to your 3rd Term Fees envelope. Please let me know if you are unable to attend. It is very important to attend all your lessons if you are in a team. Times are the same as Tuesday.

Team Selections: If you are not going to be attending the competitions in October at Coffs Harbour please let me know so as your daughter is not selected for a team and then I find out later that you are not going.
